**Cl.7;**Coal-cutting machines; well drilling machines; rock drills; truck mills for mining purposes; coal ploughs; haulage apparatus for mining; mining machines and apparatus; mineworking machines; mining machines; ore treating machines; diggers being machines; coal loaders; shredders being machines for industrial use; oil filters; oil filters for motors and engines; filters for motors and engines; waste and trash separator machines; mobile machines, namely, soil improvement equipment and implements namely, vibrators, compactors, and soil mixers; earth moving machines, namely, track loaders, wheel loaders, power-operated chain-type trenching machines for digging trenches; loaders being earth moving machines; backhoes being earth moving machines; loader buckets for excavators; sifting machines; earth augers; pile-drivers and their parts and fittings; pile-extractors; cranes; crawler cranes and their parts and fittings; conveyors being machines and their parts and fittings; power shovels; road rollers and their parts and fittings; mobile cranes; asphalt paving machines; winches; hoists; rubber tracks being parts of crawlers on loading-unloading machines and apparatus; earth compacting machines; earth moving machines; construction machines and apparatus; construction machines and apparatus, and their parts and fittings; construction machines, namely, excavators, backhoes being earth moving machines; rubber tracks being parts of crawlers on construction machines; road making machines; road paving machines; hydraulic pliers being parts of constructing machines; hydraulic excavators; wheel loaders and their structural parts and fittings therefor; teeth for buckets for excavators (replaceable cutting edge attached to the tip of the bucket); buckets for earth moving machines; crawler-tracked loaders; snow ploughs; wood chipping machines; pivoting devices for civil engineering machines and apparatus or loading-unloading machines and apparatus; machine elements not for land vehicles, namely, turntables and their rotating devices; travelling gears for power transmissions and gearing being machine elements not for land vehicles; lubricating pumps; circulating pumps; oil drain pumps; hydraulic motors for excavators; hydraulic cylinders for machines; rotary hydraulic cylinder for metalworking machines; transmissions, other than for land vehicles; transmissions for machines; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.9;**Level measuring machines for surveying; lasers for measuring; measuring instruments; distance measuring apparatus; laser measuring systems; satellite finder meters; temperature sensors; temperature indicators; acceleration sensors; tachometers; angle gauges; barometers; apparatus for recording distance; vibration sensors; vibration meters; infrared sensors; infrared

detectors; surveying instruments; speed indicators; motion sensors; motion detectors; electrical control, testing and monitoring apparatus; television monitors; television apparatus; rearview cameras for off-road dump trucks for mining, truck loaders, power shovels, wheel loaders and wheeled excavators; global positioning system (GPS) receivers; two-way radios; electric and electronic video surveillance installations; electric installations for the remote control of industrial operations; transmitters of electronic signals; display monitors; LCD monitors; downloadable computer software for remote monitoring and analysis; computer programs for monitoring; computer hardware; computer operating programs, recorded; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.12;**Off-road dump trucks for mining; structural parts and fittings for off-road dump trucks for mining.

**Cl.16;**Writing paper; mechanical pencils; ball-point pens; pencils; pocket memorandum books; rubber erasers; writing instruments; pen cases; stationery; calendars; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.24;**Japanese ceremonial wrapping cloth (fukusa); Japanese general wrapping cloth (furoshiki); towels of textile; handkerchiefs of textile; bath towels; hand towels; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.25;**Parkas; polo shirts; shirts for suits; rainwear; tee-shirts; formalwear; clothing; socks; neckties; men's socks; ear muffs being clothing; ear warmers being clothes; gloves and mittens being clothing; gloves as clothing; headgear for wear; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.28;**Toy model off-road dump trucks for mining; toy model power shovels; dolls; all of the aforementioned goods only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.35;**Retail services relating to lubricants not for land vehicles except off-road dump trucks for mining, wheel loaders and wheeled excavators; retail services or wholesale services for hydraulic oils not for land vehicles except off-road dump trucks for mining, wheel loaders and wheeled excavators; retail services or wholesale services for mining machines and apparatus; retail services or wholesale services for construction machines and apparatus, earth moving machinery, and loading-unloading machines and apparatus; retail services or wholesale services for off-road dump trucks for mining, wheel loaders and wheeled excavators; distributorship services in the field of used construction machinery, structural equipment and parts; retail store services for used construction machinery and earth moving machinery, structural equipment and parts; business project management services for construction projects; all of the aforementioned services only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.36;**Arranging finance for construction projects; financing relating to purchase of construction machinery, civil engineering machinery, or cargo handling machinery; all of the aforementioned services only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**Cl.37;**Construction; construction and maintenance services relating to civil engineering; providing information relating to the position and operating status for construction using construction machinery and equipment; construction consultancy; repair of off-road dump trucks for mining, wheel loaders and wheeled excavators; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of construction machines and apparatus; repair or maintenance of mining machines and apparatus; providing information relating to location and operating status for maintenance and repair of construction machinery and equipment; providing information relating to location and operating status for maintenance and repair of building machinery and equipment; providing information relating to location and operating status for maintenance and repair of mining machinery and equipment; rental of cranes being construction equipment; rental of construction equipment; information concerning rental of equipment for constructions and buildings; rental of construction machines and apparatus; leasing and rental of hydraulic excavators, wheel loaders, crawler tractor dozers, backhoe loaders, skid-steer loaders, pavers, milling machines, graders, crushing plants, screens, drills, compactors, mining shovels, feller-bunchers, harvesters, forwarders, processors, log loaders, conveyors, and other heavy equipment used in the construction, mining, and forestry industries and other earth moving activities; rental of excavators; rental of mining machines and apparatus; all of the aforementioned services only relate to construction

machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**CI.39;**Transport of parts and fittings for off-road dump trucks for mining by truck; transport of hydraulic excavators; all of the aforementioned services only relate to construction machinery, mining machinery (including off-road dump trucks for mining) or earth-moving machinery.

**CI.42;**Surveying; conducting engineering surveys; engineering surveying; topographic surveying.

**Cl.1;**Chemicals for use in industry and science as well as in agriculture; gases (solidified -) for industrial purposes; unprocessed artificial and synthetic resins; ammonia; methanol; hydrogen; fertilizers.

**Cl.3;**Chemical cleaning preparations for electric and electronic apparatus, equipment, instruments and installations.

**Cl.6;**Non-electric cables and wires of common metal.

**Cl.7;**Electricity generating machines, power transmission machines, machine tools, power-operated tools; machine coupling and transmission components, except for land vehicles; electrical and other generators, namely hydroelectric generators, geothermal power generators, gas generators; power generation plants and equipment, namely gas and steam turbine power plants, wind and hydroelectric power plants, solar power plants [generators], components and parts of these plants as included in this class; centrifuges; power supply apparatus (generators); electric motors and parts thereof, except for land vehicles; electric power generators for ships equipped with electric azimuth thrusters; diesel motors for ships equipped with azimuth thrusters; thrusters for machinery; thrusters [marine propulsion apparatus]; vessels of all kind, namely containers designed to hold gases or liquids at a specific pressure [parts of machines]; high pressure vessels [parts of machines]; electricity generators, in particular driven by wind power; wind turbines, windmills, wind power plants, wind turbine towers; turbines; turbine blades for power generation; turbines for power generation; pumps, compressors, fans for engines; bushings as parts of machines; gears for machines; gear boxes other than for land vehicles; turbine vanes other than parts for land vehicle engines; couplings for machines; rotating equipment for power generation; machines and equipment for combined compression and chemical processes (rotating olefin cracker), as far as included in this class; equipment for conversion of mechanical into electrical energy; parts of machines, namely pipes (fitted parts of machines), storage vessels for co2 (fitted parts of machines), containers designed to hold co2 gases or liquids at a specific pressure (parts of machines) in the field of carbon management, including capture, utilization and storage of carbon; power generating apparatus for biomass installations and plants and parts thereof such as machines, engines and components (as far as included in this class); water heaters (parts of machines); heat pumps (parts of machines); electrolysis apparatus for generating hydrogen, oxygen, carbon monoxide and other gases; industrial machines for generating fuels, gases and chemicals by electrolysis; electrolytic apparatus for generating fuels, gases and chemicals; electric azimuth thrusters for ships; industrial robots; robots for industrial use; windmill sails, sail panels, windmill housings; machine foundations being parts of machines for generating and converting energy; machine foundations being parts of wind power plants; parts of machines, namely sail pitch setting devices for wind energy generating machines; brakes and brake devices for machines for generating and converting energy; main shafts for machines for generating and converting energy; cardan joints; drives for machines for generating and converting energy; couplings for machines for generating and converting energy; yaw rings for machines for generating and converting energy; parts of machines, namely devices for setting the pitch of the wings, brakes and brake devices, main drive shafts, universal joints; steam engine boilers; electro-chemical

generators for generating electricity; rotating grid stabilizer, namely rotating machines for providing grid stability to maintain frequency and voltage stability during disturbances in the grid; parts and accessories for the afore-mentioned goods as far as included in this class.

**Cl.9;**Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable computer software; computers and computer peripheral devices; solar cells for generating energy; photovoltaic apparatus and installations for generating solar electricity; photovoltaic cells; solar panels, modules and cells for electricity generation; electricity storage apparatus; batteries; accumulators; downloadable software for blockchain technology; sensors and detectors; servicing equipment and automated monitoring apparatus for power plant engineering, namely testing equipment to examine rotor discs, machine parts, weldings and generators; equipment for non-destructive testing of materials in power plants, namely ultrasonic test devices to examine rotor discs and other parts of a turbine; eddy-current test equipment; ultrasonic test equipment; leakage detectors; electricity-generating fuel cell power modules; controllers, electric control valves, switches and circuits; electrolyzer cells; fuel cell power units; test stations for fuels, gas and chemical generators; hydrogen fuel cells; chargers for electric batteries.

**Cl.11;**Apparatus and installations for heating, steam generating, drying, cooling, ventilating in the field of energy generation and energy storage; heat generating apparatus; heat pumps; nuclear generators; nuclear reactors; nuclear power plant installations; reactor vessels; laser driven fusion reactors; power generation equipment and machines for nuclear applications, namely nuclear power plant installations; sanitary installations and equipment, water supply systems; water cleaning, desalination and conditioning systems; steam boilers, other than parts of machines; gas boilers; the aforesaid goods not relating to or not as parts of surface heating and surface cooling systems.

**Cl.17;**Seals, silicone sealants and expansion joint fillers; insulation and barrier articles and materials; expansion joint fillers for insulating.

**Cl.35;**Advertising; advertising and marketing research for others, in particular on digital networks (webvertising); market research; business administration; business consultancy and advisory services; business management; adjustment and structuring of data in computer databases; updating data in computer databases; maintenance of data in computer databases; organization of data in computer databases; systemization of information into computer databases; compilation of information into computer databases; computer data processing; data acquisition and data evaluation for data modeling, namely collection, systematization, compilation and management of data; all of the aforesaid services in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy.

**Cl.36;**Financial and insurance consultancy in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; brokerage of electricity.

**Cl.37;**Construction services; installation and repair services of power plants, machines and machine parts and equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; mining extraction, oil and gas drilling; erection, construction, installation, maintenance and repair of power plants in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation, maintenance and repair of machines and machine parts and equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation, maintenance and repair of machine equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy, namely pipe network; installation, maintenance, repair, and supervision in the framework of repair and maintenance of systems, products and equipment used in power generation, transmission and distribution, electrical engineering, electronics, information technology and mechanical engineering; laying of cables; installation of machines and machine parts in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation of machine equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy, namely cranes, power transmission and distribution machines.

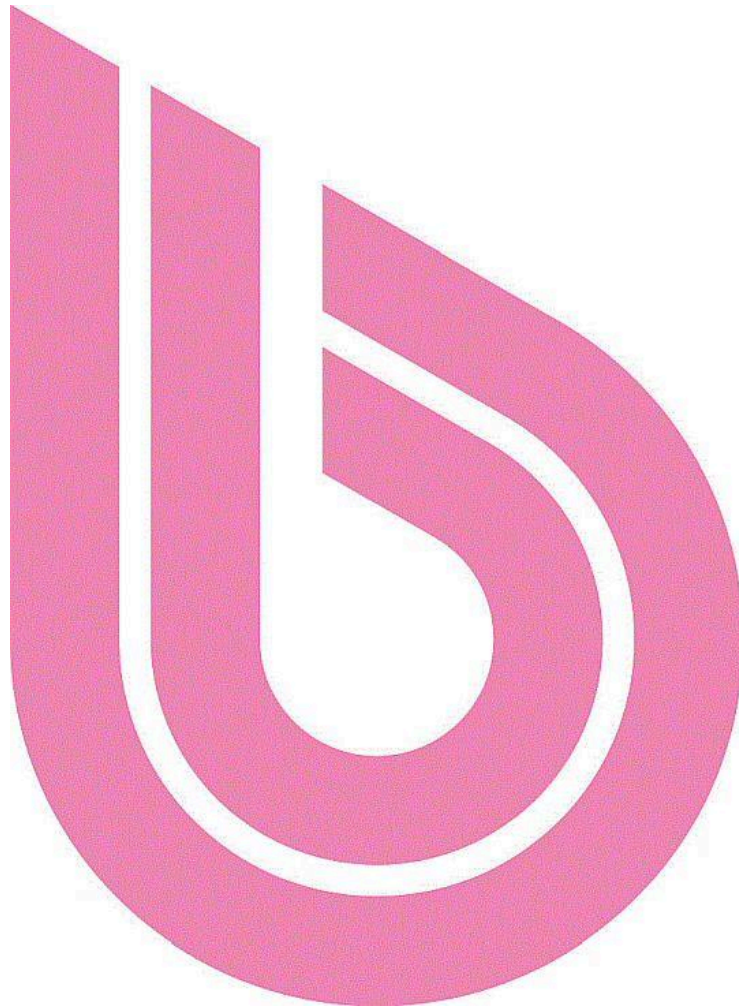

**Cl.39;**Energy storage; storage of gas; distribution of energy; distribution of gas; electricity distribution; distribution of renewable energy.

**Cl.40;**Treatment of waste materials; recycling of waste and trash; recycling services; rental of equipment for the treatment and transformation of materials, for energy production and for

custom manufacturing; generation of energy, in particular by use of fusion energy; generation of electricity, in particular from wind energy and from solar energy; generation of electrical power using carbon sequestration; conversion of nuclear fuels; production of electrical energy from renewable sources; production of hydrogen and other gases; leasing of energy generating machines and systems, namely, leasing of energy conversion equipment, in particular of turbines, compressors, and electrolyzers for production of energy and generation of electricity, leasing of electric and electronic equipment for use in clean energy production; assembly of systems, products and equipment for others used in power generation, transmission and distribution, electrical engineering, electronics, information technology and mechanical engineering; generation of electricity; generation of renewable energy; generation of electric energy; custom manufacturing of fuel cell systems and hydrogen generators.

**Cl.1;**Chemical products for use in industry, namely organic and inorganic filtering and absorption agents; ion exchange resins; chemical products for treating, clarifying, softening, desalting, cleaning, disacidifying, and disinfecting water and for disinfecting swimming pool water; activated carbon also in the form of activated carbon fleeces, activated carbon blocks and activated carbon granules; zeolites for softening and iron removal; ion exchange substances; membranes for fuel cells (chemical preparations); demineralised water, not for medical purposes.

**Cl.5;**Nutritional supplements, not for medical purposes, based on magnesium, vitamins, calcium, trace elements and zinc; nutritional supplements, not for medical purposes, based on, but not mainly consisting, of carbon dioxide or carbonic acid; preparations for destroying seaweed and bacteria; disinfectants and antiseptics; demineralised water for medical purposes.

**Cl.6;**Swimming pools; water piping; water-pipe valves; step ladders, in particular step stools; banisters; steps [ladders] of metal; building and construction materials and elements; handrails and centre poles for staircases; jalousies of metal; blind pulls; signs, non-luminous and non-mechanical, of metal; advertisement columns of metal; all the aforesaid goods of metal.

**Cl.7;**Electromechanical apparatus for preparing and dispensing beverages; devices for swimming pools, namely circulating pump installations (machines and part of machines); pneumatic valves; swimming pool cleaning machines; pumps [machines], in particular pumps

for counter-current swimming; parts of all aforementioned goods; membrane filters for parts of machines.

**Cl.9;**Physical and chemical apparatus for filtering and metering solid, pasty, liquid and gaseous materials, minerals and disinfectants; control, checking (supervision) and analysis apparatus (not for medical purposes); pool alarms; radio buoys; software for monitoring, analysing, controlling and running physical world operations; measuring, detecting, monitoring and controlling devices; collectors, electric; thermometers; software for controllers and APP applications; software for internet and mobile end devices; mobile apps; illuminated signs; electric signs; digital signage; illuminated advertisements; advertising display boards, luminous; beacons, luminous; parts of all the aforesaid goods; ski helmets; ice hockey helmets; snowboard helmets; swim goggles; snow goggles; sunglasses; cases for the aforementioned spectacles and goggles; protective helmets; bags adapted for laptops; sleeves for laptops; USB flash drives; data processing apparatus; diving suits; life buoys; life belts and life jackets; life belts; divers' masks.

**Cl.11;**Installations and apparatus for the treatment, clarification and purification of water, in particular drinking water; apparatus for descaling water; water filters; water filtering apparatus; water filtering installations; water desalinating apparatus utilizing reverse osmosis; water filtration bottles sold empty; water dispensers; water filtering units; membranes for the filtration of water; cartouches for water filtration jugs; water filtering apparatus for domestic and industrial use; water filtering units for domestic use; UV installations for the disinfection of drinking water and swimming pool water; membranes for water treatment; dehumidifiers; refill packs and filter cartridges with ion exchangers or adsorbents for water filters and water softening apparatus; water supply apparatus and water supply taps; floodlights for swimming pools; luminaires; showers, shower heads and shower fittings, shower accessories; heat exchangers, other than parts of machines; filter cartridges for fixed water connections; fleeces for the treatment of water; installations and apparatus for treating, clarifying, softening, desalting, cleaning, disacidifying, dechlorinating and disinfecting water, in particular apparatus for the production of chlorine oxide; parts of all aforementioned goods, in particular fittings, not included in other classes; refill elements, cartouches, cartridges and spare parts of the aforementioned goods, not included in other classes; spa pools.

**Cl.14;**Key rings and key chains, and charms therefor.

**Cl.16;**Packaging for chemical materials made of cardboard and plastic; stationery; printed matter; catalogues; disposable paper articles, namely filter materials made of paper; water filters of paper; bags and articles for packaging, wrapping and storage of paper, cardboard or plastics; writing instruments; office machines; advertising boards made of paper, cardboard and paperboard; flags and pennants of paper.

**Cl.17;**Flexible hoses, not of metal; casings of rubber for tubes; hose linings; plastics materials in the form of sheets [semi-finished products]; waterproof membranes made of polymers or rubber; plastic sheet materials for use in manufacture.

**Cl.18;**Umbrellas and parasols; luggage, bags, wallets and carrying bags; rucksacks; suitcases with wheels; sports bags (not included in other classes); bumbags; shopping bags; shoulder bags; clothing for animals; horse blankets; leads for animals.

**Cl.19;**Jalousies; stairs; banisters; stair treads; hand rails for stairs; stair components; all the aforesaid goods not of metal; swimming pools (structures, of plastic); water pipes of plastic; non-metal curbs; stones, in particular worked stones; stones used to retain embankments.

**Cl.20;**Easy chairs; air bed loungers; air mattresses; containers, and closures and holders therefor, non-metallic; displays, stands and signage, in particular signboards of wood or plastics; advertising display boards; advertising balloons.

**Cl.21;**Glass decanters; aluminum water bottles, empty; insulating flasks; glass bottles; glasses [drinking vessels]; cups; mugs; tableware, cookware and containers; statues, figures, signs and works of art of made of materials like porcelain, ceramics, earthenware and glass; household articles for the care of clothing and footwear, except parts of machines, namely stretchers for clothing, stands for clothes irons, brushes for cleaning footwear; non-electric small household and kitchen apparatus for water treatment, in particular for filtering water; household non-electric apparatus for preparing water and beverages; jugs and pitchers (not made of precious metals); kettles, non-electric; household or kitchen vessels, namely water storage vessels, also with replacement water filter cartridges.

**Cl.24;**Bunting of textile or plastic; flags and pennants, not of paper; towels of textile; hammam towels.

**Cl.25;**Headgear, in particular bathing caps, bobble caps, bonnets, baseball caps, peaked caps, ski caps, sports caps and thermal headgear; clothing, in particular anoraks, swimming shorts,

swim suits, swim trunks, bathrobes, fleece jackets, T-shirts, sportswear, football shirts, leisurewear, neckwear, hoodies, trousers, jackets, jogging suits, polo shirts, socks, sportswear, jersey clothing, ski suits for competitions and ski clothing; footwear, in particular sports footwear; hijabs; head scarves; sweatbands; headbands; gloves [clothing]; neckties.

**Cl.28;**Sporting articles and equipment; toys, games, playthings and novelties; racquets; batting gloves [accessories for games]; swimming equipment, namely flippers for swimming, swimming belts, swimming jackets; covers (shaped -) for sporting articles; bags specially adapted for sports equipment; skis; sole coverings for skis; ski bindings; ski covers; ski sticks; snowboards; scale model cars; scale model vehicles; scale model aeroplanes; model railways; inflatable thin rubber toys; balls for games; nets for ball games; cases for play accessories and toys; ice hockey goals; ice hockey sticks; hockey pucks; ice hockey goalie pads; nets for ice hockey goals; ice skates; slides [playthings]; building blocks [toys]; golf irons; golf club covers; golf club bags; golf bags, with or without wheels; articles for playing golf; swimming belts.

**Cl.32;**Preparations for making beverages.

**Cl.35;**Merchandising; advertising, especially for athletes; sales promotion; order acceptance services; accounting through invoice processing, also in the context of e-commerce; presentation of goods and services on the internet; digital marketing; arranging and conducting trade show exhibitions; preparing promotional and merchandising material for others; market campaigns; development of advertising concepts in the nature of brochures; preparation of publicity publications; television advertising; advertising services provided via the internet; publicity columns preparation; online advertising; presentation of companies on the internet and other media; product launch services; retail and wholesale services with organic and inorganic filter and adsorbent agents (chemical products for industrial purposes), ion exchange resins, chemicals for treating, clarifying, softening, desalting, cleaning, deacidifying and disinfecting water and for disinfecting swimming pool water; retail and wholesale services with activated carbon, including in the form of activated carbon fleeces, activated carbon blocks and activated carbon granules with zeolites for softening and deferrization, ion exchangers, membranes for fuel cells (chemical preparations), demineralized water, not for medical purposes; retail and wholesale services of food supplements for non-medical purposes based on magnesium, vitamins, calcium, trace elements and zinc, food supplements for non-medical purposes based on, but not mainly consisting of, carbon dioxide or carbonic acid, algacides and bacteria killers, disinfectants and antiseptics, demineralised water for medical purposes; retail and wholesale services with swimming pools and bathing pools, water pipes, water pipe valves, ladders, step ladders, stair railings, stairs, building elements and building materials, handrails and middle bars for stairs, blinds, pulling devices for blinds, signs, advertising boards, all the aforesaid goods made of metal; retail and wholesale services with electromechanical apparatus for the preparation and dispensing of beverages, swimming pool equipment, namely circulation pump systems (machines and machine parts), pneumatic valves, swimming pool cleaning machines, pumps, in particular pumps for counter-current swimming, components of all the aforesaid goods; retail and wholesale services with physical and chemical apparatus for filtering and dosing solid, pasty, liquid and gaseous materials, minerals and disinfectants, control, monitoring and analysis equipment (not for medical purposes), pool alarm devices, radio buoys, electrical collectors, thermometers, software for controls and app applications, software for internet and mobile devices, mobile apps, illuminated signs, electrical signs, digital signs, illuminated signs, illuminated billboards, illuminated buoys, components of all the aforementioned goods; retail and wholesale services with systems and equipment for the treatment, preparation and purification of water, in particular drinking water, devices for decalcifying water, water filters, water filter systems, devices for water desalination using reverse osmosis, empty water filter bottles, water dispensers, UV systems for the disinfection of drinking and swimming pool water, membranes for water treatment, membrane filters as machine parts, dehumidifiers, refill packs and filter cartridges with ion exchangers or adsorbents for water filters and water decalcification devices, water pipe devices and water pipe fittings; retail and wholesale services with spotlights for swimming pools, lights, showers, shower heads and shower fittings, shower accessories, heat exchangers, systems and equipment for clarifying, softening, desalting, deacidifying, dechlorinating and disinfecting water, in particular with equipment for producing chlorine dioxide, components of all the aforementioned goods, filter candles for fixed water connections, fleeces for treating water; retail and wholesale services for packaging for chemical substances made of cardboard and plastic; retail and wholesale services with hoses, rubber sheaths for hoses, hose lines, films as plastic material, waterproof film membranes made of polymers or rubber, films made of plastics; retail and wholesale services with blinds, stairs, stair railings, stair treads, handrails for stairs, stair components, all the aforesaid goods not made of metal; retail and wholesale services with glass carafes, aluminium water bottles, empty, insulated bottles, glass bottles, drinking water glasses, cups, mugs, crockery, cooking utensils and containers, statues, figurines, signs and

works of art made of materials such as porcelain, ceramics, earthenware and glass, household items for the care of clothing and footwear, small non-electric household and kitchen appliances for water treatment, in particular for filtering water, household appliances for making water and drinks, jugs and pitchers (not made of precious metal), kettles (non-electric), household and kitchen vessels, namely water storage vessels, also with replacement water filter cartridges; wholesale and retail trade services of bunting flags, flags, pennants (not of paper), towels, hammam towels; wholesale and retail services with headgear, in particular bathing caps, bobble hats, hoods, baseball caps, peaked caps, ski caps, sports caps and thermal headgear, clothing, in particular anoraks, swimming shorts, swimsuits, swimming trunks, bathrobes, fleece jackets, T-shirts, clothing for athletes, football jerseys, leisurewear, neckwear, hoodies, trousers, jackets, jogging suits, polo shirts, socks, sportswear, jersey clothing, ski suits for competitions and ski clothing, footwear, in particular sports footwear, hijabs, head scarves, sweatbands, headbands, gloves, ties; wholesale and retail services of sporting goods and equipment, toys, games, playthings and curiosities, rackets, racket gloves (play accessories), swimming equipment, adapted covers for sporting goods, adapted bags for sports equipment, skis, ski skins, ski bindings, covers for skis, poles for skiing, snowboards, scale model cars (toys), model cars, model airplanes, model trains, inflatable toys made of thin rubber, balloons, balls for games, ball game nets, containers for game accessories and toys, ice hockey goals, ice hockey sticks, ice hockey pucks, ice hockey goalie protectors, ice hockey nets, ice skates, sledges, building blocks, golf irons, golf club covers, golf club bags, golf bags, with or without wheels, articles for golf; wholesale and retail services of preparations for making beverages.

**Cl.36;**Fundraising and financial sponsorship; financial sponsorship; organization of collections; financial sponsorship and patronage.

**Cl.37;**Installation, assembly, servicing, maintenance and repair of swimming pools, apparatus and installations for the processing, treatment and purification of water, in particular drinking water; construction of swimming-pool complexes.

**Cl.40;**Customised production of swimming pools, installations and apparatus for (pool) water treatment; desalination of water.

**Cl.42;**Industrial analysis and research services; project development, technical planning, construction drafting and engineering services in the field of processing, treating and purifying water, in particular drinking water and waste water; scientific and technological services and design related thereto; technological and scientific research.

**Cl.1;Chemicals for use in industry and science as well as in agriculture; gases (solidified -) for industrial purposes; unprocessed artificial and synthetic resins; ammonia; methanol; hydrogen; fertilizers.**

**Cl.3;Chemical cleaning preparations for electric and electronic apparatus, equipment, instruments and installations.**

**Cl.6;Non-electric cables and wires of common metal.**

**Cl.7;Electricity generating machines, power transmission machines, machine tools, power-operated tools; machine coupling and transmission components, except for land vehicles; electrical and other generators, namely hydroelectric generators, geothermal power generators, gas generators; power generation plants and equipment, namely gas and steam turbine power plants, wind and hydroelectric power plants, solar power plants [generators], components and parts of these plants as included in this class; centrifuges; power supply apparatus (generators); electric motors and parts thereof, except for land vehicles; electric power generators for ships equipped with electric azimuth thrusters; diesel motors for ships equipped with azimuth thrusters; thrusters for machinery; thrusters [marine propulsion apparatus]; vessels of all kind, namely containers designed to hold gases or liquids at a specific pressure [parts of machines]; high pressure vessels [parts of machines]; electricity generators, in particular driven by wind power; wind turbines, windmills, wind power plants, wind turbine towers; turbines; turbine blades for power generation; turbines for power generation; pumps, compressors, fans for engines; bushings as parts of machines; gears for machines; gear boxes other than for land vehicles; turbine vanes other than parts for land vehicle engines; couplings for machines; rotating equipment for power generation; machines and equipment for combined compression and chemical processes (rotating olefin cracker), as far as included in this class; equipment for conversion of mechanical into electrical energy; parts of machines, namely pipes (fitted parts of machines), storage vessels for co2 (fitted parts of machines), containers designed to hold co2 gases or liquids at a specific pressure (parts of machines) in the field of carbon management, including capture, utilization and storage of carbon; power generating apparatus for biomass installations and plants and parts thereof such as machines, engines and components (as far as included in this class); water heaters (parts of machines); heat pumps**

(parts of machines); electrolysis apparatus for generating hydrogen, oxygen, carbon monoxide and other gases; industrial machines for generating fuels, gases and chemicals by electrolysis; electrolytic apparatus for generating fuels, gases and chemicals; electric azimuth thrusters for ships; industrial robots; robots for industrial use; windmill sails, sail panels, windmill housings; machine foundations being parts of machines for generating and converting energy; machine foundations being parts of wind power plants; parts of machines, namely sail pitch setting devices for wind energy generating machines; brakes and brake devices for machines for generating and converting energy; main shafts for machines for generating and converting energy; cardan joints; drives for machines for generating and converting energy; couplings for machines for generating and converting energy; yaw rings for machines for generating and converting energy; parts of machines, namely devices for setting the pitch of the wings, brakes and brake devices, main drive shafts, universal joints; steam engine boilers; electro-chemical generators for generating electricity; rotating grid stabilizer, namely rotating machines for providing grid stability to maintain frequency and voltage stability during disturbances in the grid; parts and accessories for the afore-mentioned goods as far as included in this class.

**Cl.9;**Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable computer software; computers and computer peripheral devices; solar cells for generating energy; photovoltaic apparatus and installations for generating solar electricity; photovoltaic cells; solar panels, modules and cells for electricity generation; electricity storage apparatus; batteries; accumulators; downloadable software for blockchain technology; sensors and detectors; servicing equipment and automated monitoring apparatus for power plant engineering, namely testing equipment to examine rotor discs, machine parts, weldings and generators; equipment for non-destructive testing of materials in power plants, namely ultrasonic test devices to examine rotor discs and other parts of a turbine; eddy-current test equipment; ultrasonic test equipment; leakage detectors; electricity-generating fuel cell power modules; controllers, electric control valves, switches and circuits; electrolyzer cells; fuel cell power units; test stations for fuels, gas and chemical generators; hydrogen fuel cells; chargers for electric batteries.

**Cl.11;**Apparatus and installations for heating, steam generating, drying, cooling, ventilating in the field of energy generation and energy storage; heat generating apparatus; heat pumps; nuclear generators; nuclear reactors; nuclear power plant installations; reactor vessels; laser driven fusion reactors; power generation equipment and machines for nuclear applications, namely nuclear power plant installations; sanitary installations and equipment, water supply systems; water cleaning, desalination and conditioning systems; steam boilers, other than parts of machines; gas boilers; the aforesaid goods not relating to or not as parts of surface heating and surface cooling systems.

**Cl.17;**Seals, silicone sealants and expansion joint fillers; insulation and barrier articles and materials; expansion joint fillers for insulating.

**Cl.35;**Advertising; advertising and marketing research for others, in particular on digital networks (webvertising); market research; business administration; business consultancy and advisory services; business management; adjustment and structuring of data in computer databases; updating data in computer databases; maintenance of data in computer databases; organization of data in computer databases; systemization of information into computer databases; compilation of information into computer databases; computer data processing; data acquisition and data evaluation for data modeling, namely collection, systematization, compilation and management of data; all of the aforesaid services in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy.

**Cl.36;**Financial and insurance consultancy in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; brokerage of electricity.

**Cl.37;**Construction services; installation and repair services of power plants, machines and machine parts and equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; mining extraction, oil and gas drilling; erection, construction, installation, maintenance and repair of power plants in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation, maintenance and repair of machines and machine parts and equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation, maintenance and repair of machine equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy, namely pipe network; installation, maintenance, repair, and supervision in the framework of repair and

maintenance of systems, products and equipment used in power generation, transmission and distribution, electrical engineering, electronics, information technology and mechanical engineering; laying of cables; installation of machines and machine parts in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy; installation of machine equipment in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional and nuclear energy, namely cranes, power transmission and distribution machines.

**CI.39;**Energy storage; storage of gas; distribution of energy; distribution of gas; electricity distribution; distribution of renewable energy.

**CI.40;**Treatment of waste materials; recycling of waste and trash; recycling services; rental of equipment for the treatment and transformation of materials, for energy production and for custom manufacturing; generation of energy, in particular by use of fusion energy; generation of electricity, in particular from wind energy and from solar energy; generation of electrical power using carbon sequestration; conversion of nuclear fuels; production of electrical energy from renewable sources; production of hydrogen and other gases; leasing of energy generating machines and systems, namely, leasing of energy conversion equipment, in particular of turbines, compressors, and electrolyzers for production of energy and generation of electricity, leasing of electric and electronic equipment for use in clean energy production; assembly of systems, products and equipment for others used in power generation, transmission and distribution, electrical engineering, electronics, information technology and mechanical engineering; generation of electricity; generation of renewable energy; generation of electric energy; custom manufacturing of fuel cell systems and hydrogen generators.

**CI.41;**Education; providing of training; entertainment; sporting and cultural activities; providing online electronic publications, not downloadable.

**CI.42;**Scientific and technological services and research and design relating thereto in the field of wind energy, solar energy, hydrogen energy, renewable energy, conventional energy and nuclear energy; industrial analysis, industrial research and industrial design services; research and development for third parties in the fields of electrical engineering, electronics, information technology, medical engineering, physics, chemistry and mechanical engineering as well as planning, consulting, engineering services and technical supervision in these fields; construction and design planning and consulting relating thereto; materials testing; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration and management of public and private cloud computing IT and application systems; quality control and authentication services; design and development of computer hardware and software; software as a service (SaaS); platform as a service (PaaS); blockchain as a service (BaaS); electronic data storage; data storage via blockchain; hosting platforms on the internet; cloud computing; technical consultancy in the field of energy production and conversion; leasing of products and systems, namely, of information technology apparatus for use in energy production; engineering services relating to robotics; maintenance and installation of software.
